

AGAIN AGAIN

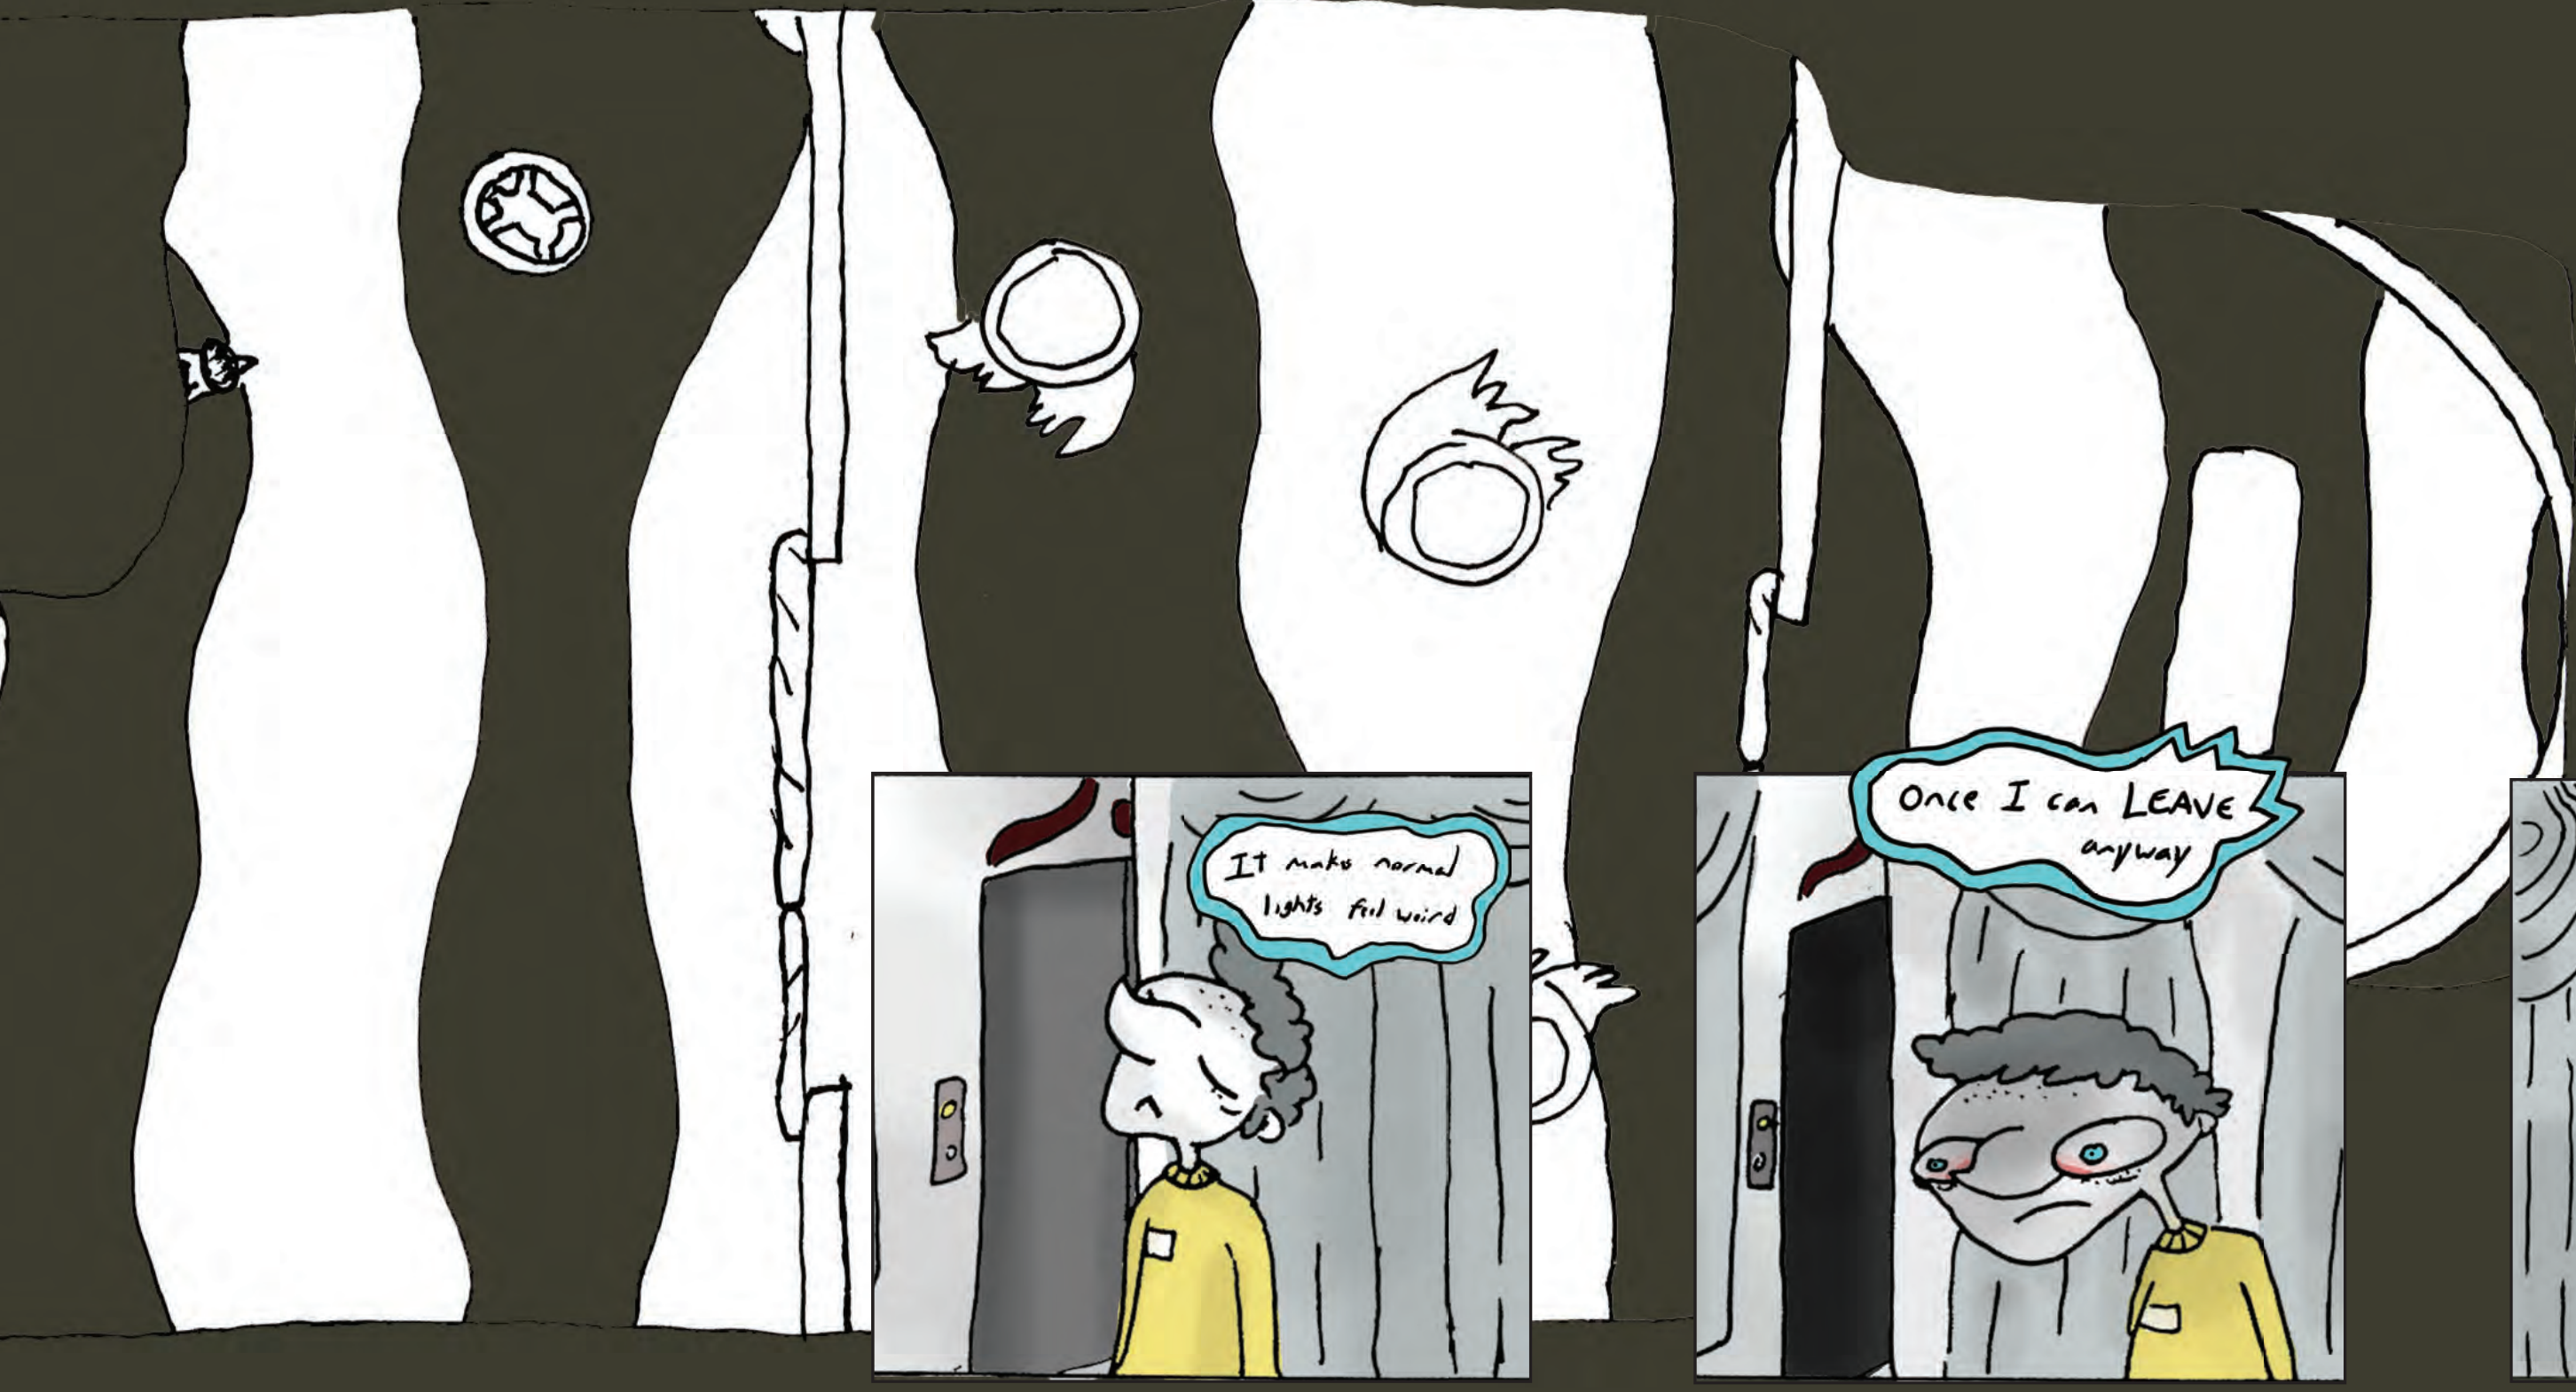

It's the lights  
I think

The way they flash  
makes it  
feel like  
time  
is  
speeding up

It makes normal  
lights feel weird

Once I can LEAVE  
anyway

what was that?

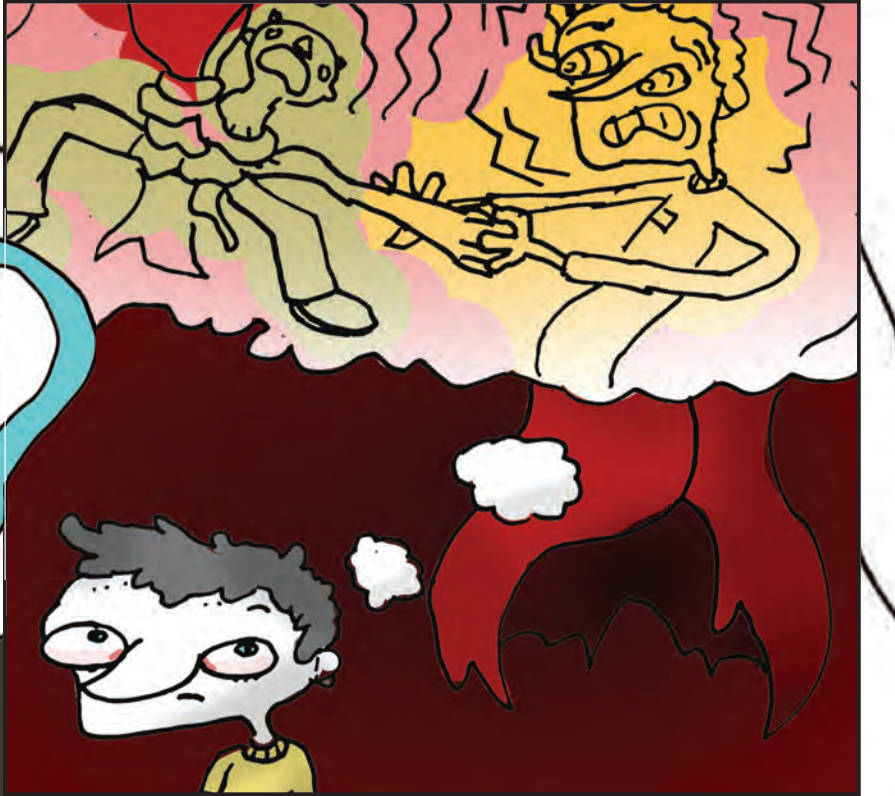

Nice to remember why  
I avoid it.

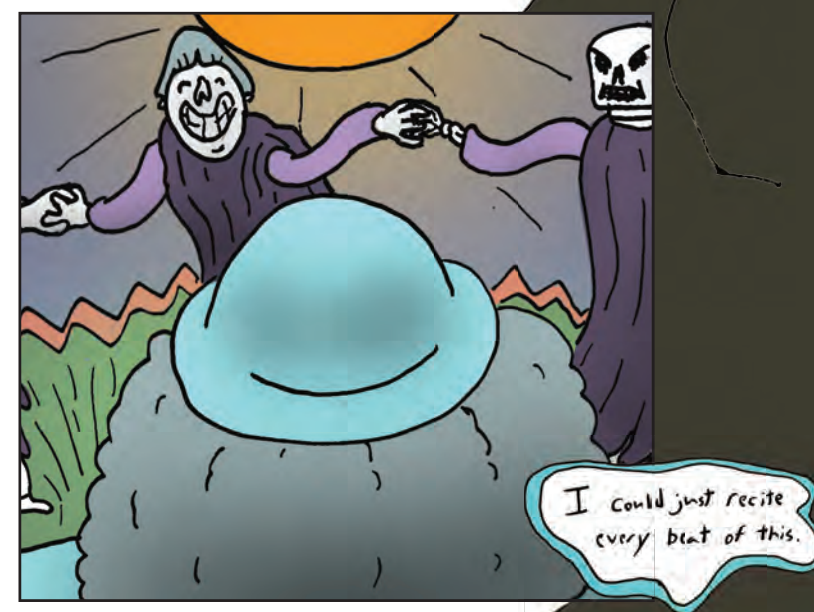

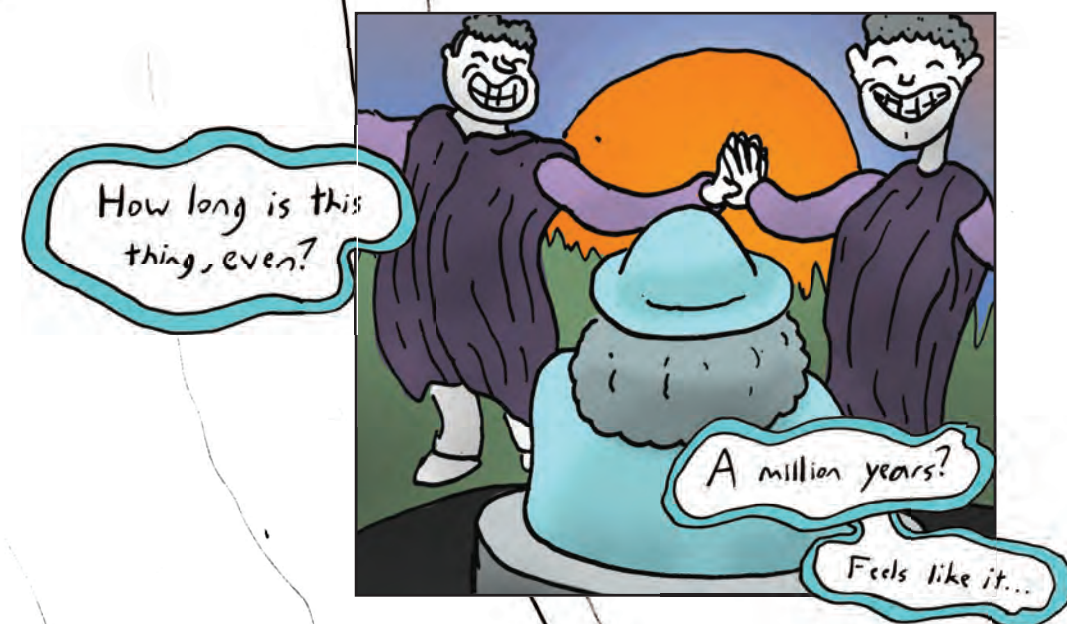

The enchantment or whatever  
Wears off after you  
have to pull a tourist  
Out of one of these.

# THE MOVIE

A MARTIAN RESURRECTION

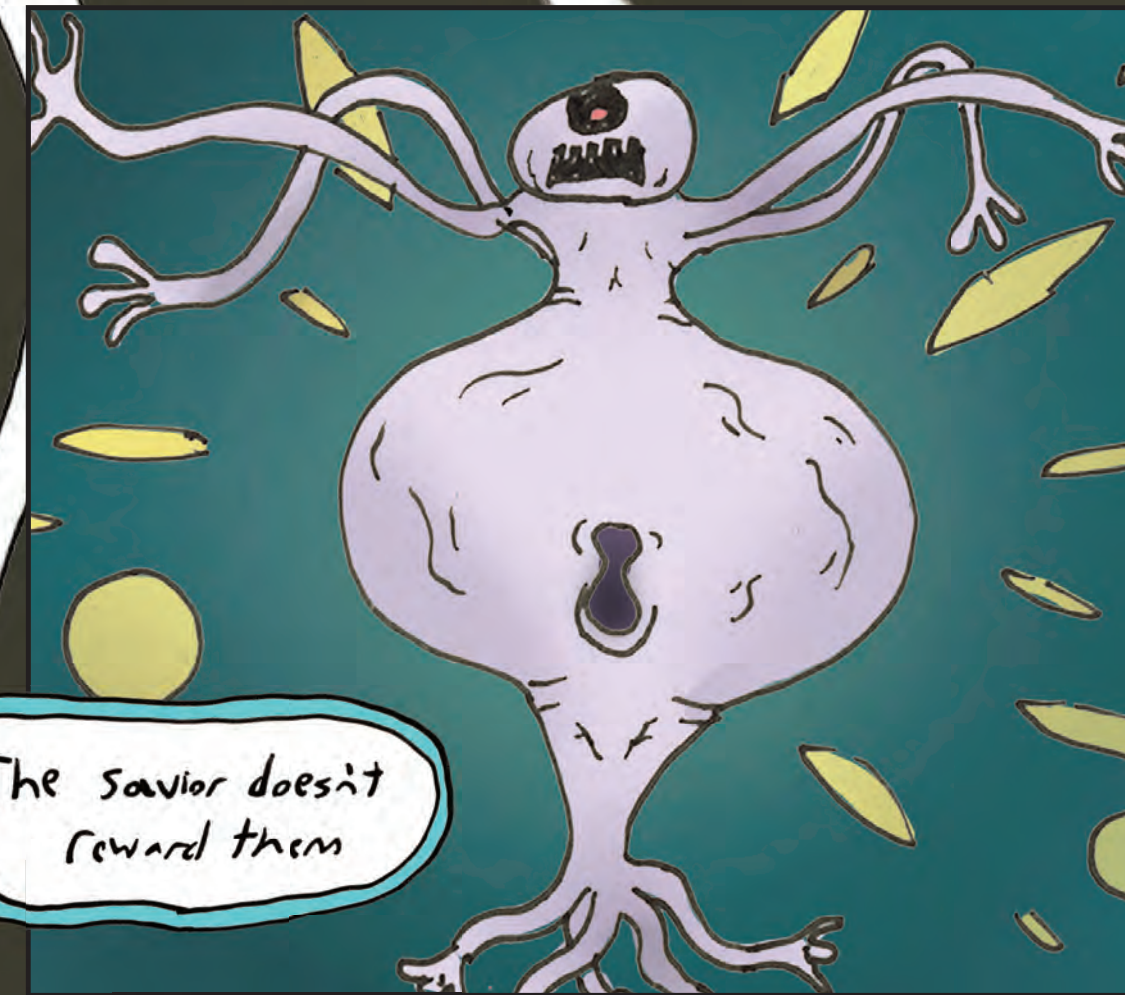

They fall

The savior comes

They pray

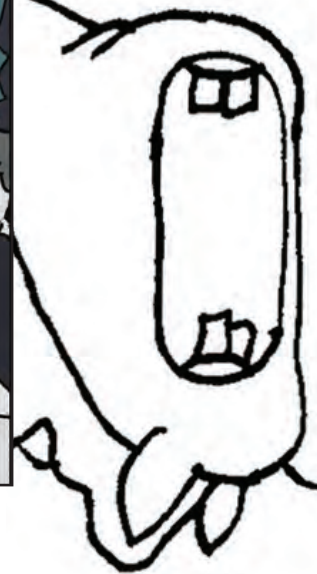

The savior doesn't reward them

Then it starts over

What's a few more minutes?
